Note On Service Charge

Kindly note that as of 10 January 2022, the 10% service charge will apply to the full price of your food order, before any discounts or promotions.

We are pleased to introduce the Bedrock Origin wine list. We offer a wide selection of wines, curated with an emphasis on different varietals that complement our cuisine.

Through an extensive selection of wines served by the glass, you can explore both single origins and blends that come in different styles and grape varieties, to find the right one that fits your palate and preference.

Sip on one of our many rosé wines, nectars that encapsulate the celebratory atmosphere of the resort, and which go hand-in-hand with sunshine.

The quality and taste of our wines are preserved for months after the first pour through the state-of-the-art Coravin Wine Preservation System. This ensures that every glass we serve is at its best.

Now it is time for some wine, and we hope you enjoy tasting our selection of wines just as much as we did.

Cheers!
